

Acceptable iPad Use Agreement

School Year 2017 - 2018

Care and Maintenance of the iPad

1. Do not attempt to gain access to the internal electronics or repair your iPad. Report any problems to the media center.
2. Never leave an iPad unattended.
3. Never expose an iPad to long term extremes in temperature or direct sunlight.
4. Avoid applying liquids to the iPad. The iPad can be cleaned with a soft, dry, lint-free cloth.
5. Avoid placing weight on the iPad.
6. Never throw or slide an iPad.
7. Your iPad comes with ports for charging and other accessories. Care must be exercised when plugging and unplugging accessories. Student-issued iPad accessories are the responsibility of the student.
8. Each iPad has the ability to be remotely located. Modifying, disabling or attempting to disable the locator is a violation of the use agreement and grounds for disciplinary action.
9. Each iPad has a unique identification number. At no time should the numbers or labels be modified or removed.
10. Do not lend your iPad to another person. Responsibility rests solely with the individual the iPad is assigned to.
11. The iPad is an electronic device and care must be exercised when handling the iPad. Never throw a book bag that contains an iPad. Never place an iPad in a book bag that contains food, liquids, heavy, or sharp objects.
12. The iPad is designed for daily use; therefore, each iPad must be charged daily.
13. The iPad and case must remain free of writing, painting, or any other forms of adornment.
14. The iPad issued case **must** stay on the iPad at all times.

Student Use of the iPad

1. The iPad is the property of Grant Public Schools and may be seized and reviewed at any time.
2. The iPad comes equipped with both a front and rear-facing camera and video capacities. It is expected that students will ask permission before recording an individual or group. Please see number 4 below concerning inappropriate pictures/recordings. Students must obtain school permission to publish media of any school related activity.
3. Students are responsible for bringing their iPad to school every day fully charged. Failure to bring an iPad or any other class material(s) does not release the student from their responsibility for class work.

4. Personalized screensavers or backgrounds are permitted. Inappropriate or provocative images including but not limited to pornographic images, guns, weapons, inappropriate language, threatening language, drug, alcohol, or gang related images are not permitted and such actions are subject to disciplinary action.
5. The iPad affords limited electronic storage space. It is good practice to back up, duplicate, or archive files to an independent storage space.
6. The district issued iPad is designed as a tool for learning; misuses of the iPad may result in disciplinary action.
7. All students should recognize and guard their personal and private information. Students shall not reveal personal information/personal security codes to anyone. Responsibility for the contents/actions of the iPad rests solely with that individual.

Insurance Plan

1. The replacement cost of the iPad is approximately \$425 and includes: the iPad, iPad case, iPad charger, and applications that have been purchased and loaded onto the iPad by GPS.
2. Families can purchase insurance through Grant Public Schools. The insurance premium is \$30.00 per iPad for the 2017-18 school year with deductibles to be assessed depending on the unintentional damage and needed repair. Deductibles will need to be paid in full prior to the student receiving the school issued iPad back after repair.
3. In the event that an iPad is lost, stolen, intentionally damaged, or damaged while not in the case provided by Grant Public Schools, the parent/student will be assessed a fee, to cover the repair or replacement of the iPad. The amount assessed will depend on whether or not the insurance was purchased.
4. If insurance is not purchased, the iPad will remain at school at all times. It will be checked out in the media center each morning and checked back in at the end of the school day. Any damage to the iPad during this time will result in a fee to cover the repair or replacement of the iPad. Students will not have the iPad returned until the fee of the repair or the total cost of the iPad is paid.
5. Repairs must take place through Grant Public Schools as each iPad is the property of the district. We believe you will find that the cost of the deductible combined with the insurance premium offered by the district is considerably less than the national average charge for a repair to an iPad.
6. Lost/Damaged power adapters are not covered by insurance and cost \$10.00

7. Lost/Damaged charging cords are not covered by insurance and cost \$8.00
8. Lost/Damaged case are not covered by insurance and cost \$25.00
