Insurance Plan

- The replacement cost of the iPad is approximately \$455 and includes: the iPad, iPad case, iPad charger, and applications that have been purchased and loaded on the iPad.

- The insurance premium is \$40 per iPad with deductibles to be assessed depending on the unintentional damage and needed repair. Deductibles will need to be paid in full prior to the student receiving the school issued iPad back after repair.
- In the event that an iPad is lost, stolen, intentionally damaged, or damaged while not in the case provided by Grant Public Schools, the parent/student will be assessed a fee, to cover the repair or replacement of the iPad with or without the insurance purchased.
- If insurance is not purchased, the iPad will remain at school outside of school hours.
 - It will be checked out in the media center each morning and checked back in at the end of the school day. Any damage to the iPad during the time will result in a fee to cover the repair or replacement of the iPad. Students will not have the iPad returned until the fee of the repair or the total cost of the iPad is paid.
- All repairs need to take place through Grant Public Schools as each iPad is the property of the district. We believe you will find that the cost of the deductible combined with the insurance premium offered by the district is considerably less than the national average charge for a repair to an iPad.
