Apps. Voucher	1			\$1,000.00
<b>Total Cost</b>				<b>\$44,616.00</b>

Grant Public Schools has installed the wireless network to make this project possible. In the Elementary School this expense was \$3600.00 GPS will cover the cost of updating and expanding this network as needed. GPS is currently in the process of upgrading the amount of available bandwidth in anticipation of programs like these.

GPS is committed to providing the in house training and technical support for this program.

There are no other sources of funding for this project.
