Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2017-2018 educational progress for Grant Learning Center. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Dan Simon for assistance.

The AER is available for you to review electronically by visiting the following web site <http://bit.ly/2GrzKeB> or you may review a copy in the main office at your child's school.

For the 2017-2018 school year, schools were identified using new definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state. Some schools are not identified with any of these labels. In these cases, no label is given.

Grant Learning Center has not been given one these labels. A key challenge that we face each year is supporting our students as they regain credit. Many of our students may have failed a course the year prior or have moved into our district credit deficient. We focus on these specific courses by enrolling our students in an online program called Edmentem. It allows students to relearn material and gain credit.

The Learning Center enrolls students primarily in grades 11-12 through district approved paperwork. We are in our third year of our school improvement plan and update on a yearly basis. Our school places students in the career tech program and Michigan Merit courses. A copy of the core curriculum can be obtained at www.ncresa.org or the Michigan Department of Education. Our recent student achievement is as follows...

2017-2018	Social Studies	<10 Students

The Learning Center offers parent teacher conferences in the fall and spring along with a 9th grade orientation for current 8th graders. Our conferences gather less than 30% of our parents/guardians. This is partially due to the Skyward online program that allows parents/guardians to check daily on progress and email or call staff members.

Dual Enrollment

Year	#/% Enrolled	# AP/IB Offered	#/% AP/IB Enrolled	#/% of Students Earning College Credit
15/16	0/0	0	0	0/0
16/17	0	0	0	0

We are proud of the commitment of our Learning Center students to regain credits. We continue to support their life long goals through programming and opportunities.

Sincerely,

Daniel R Simon
